

Missouri River Flood Project Prayer

Creator God, you send the rain and snow from heaven to bring life and freshness to the Earth. But now those same waters bring floods and disruption to the lives of our brothers and sisters along the Missouri River. Bless those affected by the floods; comfort those who are grieving, angry, homeless, and afraid. Help them know that you are with them in the midst of their suffering and struggle, and that you will prepare a way for them through the waters and days ahead. Show us as members of St. Mary-Holy Cross Parish how we can best help our brothers and sisters in need. Give us generosity of spirit, and wisdom of mind and heart to serve them in fruitful and effective ways. And may our Project efforts transform us into the Community of Faith you would have us to be. We ask this through Christ our Lord. Amen!

Missouri River Flood Project Progression

- ✝ Group established
- ✝ Awareness of project communicated via bulletin, website, displays, and Facebook
- ✝ Met with Diocese of Des Moines to identify needs
- ✝ Prayer card initiated for those affected by the floods
- ✝ Contacts made with individuals in the affected area
- ✝ Framework for possible mission trip outlined
- ✝ Ideas being generated for RE and Youth Ministry involvement
