July Financial Statement

Received a workerman comp refund

Budget will stay the same even without a priest. May transfere some funds from

payroll to pay Father Hurd

Doug moved to approve the financials and Diane seconded.

New Business

1) John moved to approve the contract for the copy machine and Mike seconded

2) Father introduced the (Ignite) capital campaign which should roll out shortly. We need to have 2 to 4 chairs who will in turn have some volunteers under them to collect envelopes from Parishioners. Father did not have our goal amount at this time but some of the dollars will come back to the parish for special projects. The diocese goal is

\$42 million of which $\frac{1}{2}$ has already been raised.

3) St Mary's organ is in need of repair to a tune of \$1000. We have the opportunity to get a free organ from another church. Drew and his wife have checked it out and will proceed to get it to St. Mary's

4) LP contract for is due. We thought the bid was high at 2.009/gal. Mike will check other gas companies to check bids. He will email us the results.

5) Memorial fund dollars If wishes were not meant we should act on those wishes and otherwise possibly move the dollars into the Building fund.

Motion to adjourn the meeting was made by John and Father seconded at 7:45 pm
