3. Pastoral Council and Stewardship Committee - Update

Pastoral Council's focus will continue to be strategic in nature and setting direction/vision for the parish. Stewardship's focus is about executing on vision especially as it relates to building parish spiritual and parish community engagement. The two groups have nice synergies and connectedness but do have fairly different focuses -- both of which are needed. For this reason, the suggestion was made to see if there is interest in the parish through time and talent and invitations to both Pastoral Council and Stewardship.

4. Time and Talent Survey, Next steps and timing

- Draft survey was sent to Stewardship and a few other parish contacts for initial input and updates were made.

- New feedback regarding survey draft and changes we'd like to apply
- Announcements (bulletin, announcements, e-mail as well as what info we'll include with the email of the survey)
- Target date for sending survey - January/February

January meeting agenda items....

- Meet at Kippy's?
- Parish Survey - next steps
