

### **Creating a Culture of Welcome and Care in our Parish Communities**

A welcoming parish is a reflection of Christian hospitality. Once we are welcomed, it is important to know we are cared for, that we matter to the life the parish.

### **Inviting People into an Encounter with Jesus Christ**

Jesus invites all of us to have a personal relationship with Him. The work of evangelization is an invitation into an encounter with Jesus which transforms us, our families, our parish, and our communities.

### **Accompanying our Youth into Discipleship with Jesus Christ**

Walking with youth means meeting them where they are. Our youth are interested in making connections with their peers and forming lasting relationships.

### **Engaging our Young Adults into Full Participation**

We seek to connect young adults with Jesus Christ, the Church as a welcoming Christian community, the mission of the Church in the world, and a peer community where faith is nurtured and strengthened.

### **Preparing Disciples for the Domestic Church**

The family is placed at the heart of discipleship and mission. It is the privileged place for evangelization, catechesis, and spiritual growth.

### **Communicating our Message Boldly and Clearly**

Good communication is at the core of helping people know and love God. It is the lynchpin in a thriving, active parish.
