

## Future Altar Server Schedule

Dear Parents,

Your child attended a training today on being an Altar Server. The primary role is to assist the priest in the celebration of the Mass. This is done through specific actions and by setting an example to the congregation by active participation in the liturgy.

Servers carry the cross, the processional candles, hold the book for the priest when he is not at the Altar, place items on the Altar and assist the priest when he receives the gifts from the people.

Please discuss this opportunity with your child and indicate below if you are interested in having them on future Altar Server schedules. **Please let us know by returning this form to the Parish Office by Sunday, December 22.**
