No New business

Old Business:

Holy Cross roof repairs has been completed. Nothing has been done on the  
electical damage

We don't know when the contractor is to start on St. Marys roof

Insurance: We are not hearing from the insurance company regarding the  
derecho damage. Apparently it does not cover damage to the cemetary. Father  
will contact the person in charge of diocese insurance to get a response.  
Possibly a meeting would be helpful so we can better understand what is  
covered.

Budget: In an effort to prepare the budget a worksheet for the committees will  
be sent to the leaders along with a guidance sheet. We need to get these to  
the appropriate persons by April. Laurie will write a guidance sheet if an old one  
is not found/

Laurie made a motion to adjoin the meeting and Sue seconded.

Father closed with prayer
